Customer code:

When sending your hair please make sure it is rubber banded together and in a zip lock bag labeled with your name. The amount of hair should be at least 15" long a pointer fingers width in diameter (whole length) for bracelets and 25" long and a pointer fingers width in diameter (whole length) for necklaces. For flat braids, Please double the amount of hair needed for round braids, the more hair sent, the wider I am able to make the braid. It is not necessary to wash the hair, but I do ask that it is brushed out before it is cut and banded. If I receive hair that is extremely tangled, I may not be able to use it or an additional fee will be applied to condition the hair. PLEASE do not use showsheen or a detangler as it makes the hair hard to work with. Please do not send wet hair, it molds during shipment and may stain hair. TAIL HAIR IS HIGHLY RECOMMENDED and mane hair may not be able to be used for braiding. Please email if you have other questions.

Payment in full is required before any work will be done.

PLEASE ALLOW 6-8 weeks for completion or aprox. 10-12 weeks after my shows. If you need it sooner, please contact me ahead of time for rush information. There will be a rush fee of \$40.00 plus any overnight shipping fees I may incur. However, no rush orders can be completed in less than 2 weeks and all rush orders will depend on availability of supplies needed. Any order needed in under 3 weeks from the time I receive order is considered a rush order. Please plan accordingly. Checks and Money Orders payable to Jaime Asher. Please contact me for Credit Card payments. Thank you!
